PLANNING &amp; BUILDING

Scani Siong, Project Manager and to whom it may concern on the San Luis Obispo County Planning Commission,

I left a voice mail on the planning commission general mail box. I requested the following:

1. Elevation calculations;
2. A front plan view of the proposed home on 5398 Nottingham Drive, Cambria CA.
3. Would also like to understand how the Transfer of Development credits program works and how it applies to this project.

Per your notice, other pertinent information:

File: DRC 2013-00040

Assessor Parcel Number: 023-163-010

Finally, would like to understand the other variances applied for this development.

I would like to request a hearing on this matter.
